

Smooth ownership transitions, even when you least expect it

It's easy to think that you'll have plenty of time to prepare for a transition in business ownership. But time can go by faster than you think. And, there are many events — both planned and unplanned — that could change the business, like retirement, dissolution, death, disability, divorce and termination.

You've worked hard to build your business. Now take the time to protect its future and those that depend on it.

There are many succession strategies to consider, and we can help. Start with a simple question to narrow down your options.

We can help.

A **Business Continuation Proposal** from Principal can walk you through transition options, then help you document your intentions in an effective buy-sell agreement.
