Understand your benefits

2018

Get affordable dental benefits

Here's good news: You and your family now have access to high-quality dental care at a reduced cost. That's something to smile about!

When you enroll in this simple, pre-paid dental plan from Employers Dental

Services (EDS), a Principal® company, you get coverage for both routine and specialized services. This plan is available in Arizona.

In addition, you benefit from:

- No deductibles, waiting periods, yearly maximums or claim forms
- Orthodontic benefits for children and adults
- Worldwide emergency dental benefits 24 hours a day

Who's eligible?

You can enroll yourself for coverage and also family members (known as dependents). Child-only coverage is available to age 18. Eligible dependents include your spouse and children to age 26. Domestic partners are eligible if they meet the criteria in the **EDS declaration of domestic partnership**.

You must add new dependents within 31 days of the life event (marriage, birth, adoption or placed for adoption). Additional premium and an **enrollment change from** must be received by EDS for coverage to be effective. It's your responsibility to remove dependent children when they're no longer eligible.

Enrolling is easy

It takes just three easy steps:

- 1 Get the details of your coverage by reading this book.
- 2 Choose a participating general dentist at employersdental.com. You and your dependents must use the same dentist.
- 3 Complete the enclosed **EDS enrollment application and agreement form**. A parent or guardian signature is required to enroll a child under age 18. Mail the form with your premium payment — make your check payable to EDS. We also accept VISA, Master Card, Discover and American Express.

Your coverage is effective on the first of the month if your application and payment reach us on or before the 10th of that month. Coverage is only available on an annual basis. In other words, you must keep your coverage for at least 12 consecutive months.

After enrolling, you'll receive an ID card. And even though you won't need to show it at appointments, we know some people like to carry one.

Employers Dental Services

We're one of the largest pre-paid dental plans in Arizona. As a member, you have access to a high-quality dental network. Our providers meet rigorous credentialing requirements and undergo requalification every three years.

And whether you're more comfortable speaking English or Spanish, bilingual customer service and management teams in Arizona can help you out.

Your benefits

Seeing your dentist — Your dental care starts with the general dentist you select when you enroll. Make an appointment with your dentist after your coverage begins. At your first appointment, your dentist evaluates your oral health. Before any treatment begins, you can discuss your concerns and questions, and work together to achieve or maintain good dental health.

Be sure to ask your dentist which procedures he/she performs — not all dentists perform all procedures. For example, some dentists don't do extractions, or use amalgam (silver-colored) fillings. If your general dentist feels you need to see a specialist (like an endodontist, periodontist or oral surgeon), you won't need a separate referral.

It's important to keep appointments since you may be charged a fee for missed appointments. Call your dental office at least 24 hours in advance if you're unable to keep a scheduled appointment.

Cost of services — Your EDS dentist may recommend some type of dental service. Once you have a treatment plan, staff at the dental office explain the costs you're responsible for. Need to see a specialist? With our network of dental specialists, you get up to **25% off** the normal office fees.

For each appointment, you're charged an office visit fee plus the cost for any services. Keep in mind, payment is due at the time you receive services.

You can check out your savings in the **covered services and cost** section in this book. It compares your cost to the average cost of a procedure without EDS benefits.

What's covered — With this coverage, the services you think should be covered are — like exams, cleanings and fillings. Plus, you get extra discounts on eyewear.

For a complete listing of covered dental services, refer to the **covered services and cost** section in this book.

Orthodontic benefits for children and adults — If you need orthodontic treatment (including braces), this coverage provides the extra care you need. And, you benefit from no waiting periods, no required referrals and no lifetime benefit maximums.

Visiting an EDS orthodontist means you save **25% off** normal and customary fees. Keep in mind, to get this discount, you must have EDS coverage for the duration of treatment.

Orthodontists typically require you sign a contract for treatment. After signing it, you get a treatment plan and payment terms. If you already have orthodontia treatment in process, you're not eligible for this service.

Temporomandibular Joint Disorder (TMJ) — Having TMJ (problems with your jaw and the muscles in your face that control it) can be difficult. If you have TMJ and need extra care, EDS covers procedures and services for that treatment. And, when you visit an EDS TMJ dentist, you save up to **25% off** the office fees. Plus, you don't need a referral.

Emergency care benefits — Sometimes, emergencies happen. Fortunately, your EDS plan covers the temporary relief of pain, bleeding and acute infection.

For a dental emergency, you're reimbursed up to \$200 less any costs you'd normally be charged for treatment. If you have a dental emergency:

- 1 Contact your general dentist first. If you're unable to reach your dentist, you may seek care immediately from any licensed dentist.
- 2 Mail a copy of your paid, itemized receipt (in English) to EDS within 90 days, so you can be reimbursed.
- 3 Follow-up with your general dentist for additional care or treatment.

Terms and conditions

The person who signs the **EDS enrollment application and agreement form** (known as the subscriber) and all covered dependents are bound by all the terms and conditions of the EDS prepaid dental plan as described in this **enrollment and coverage guide**. Grievance and appeals

EDS members can ask EDS to review its decisions involving their requests for services or requests to have claims paid. EDS members have two levels of review available to them.* They are Standard Appeals Level 2 (formal appeal) and Level 3 (external independent dental review).

There are two types of appeals: an expedited appeal for urgent matters and a standard appeal. Each type of appeal has 3 levels. The appeals operate in similar fashion, except that expedited appeals are processed much faster because of a patient's condition.

Levels	Expedited appeals For urgently needed services you haven't yet received	Standard appeals For non-urgent services or denied claims
1	Expedited dental review	Informal reconsideration
2	Expedited appeal	Formal appeal
3	Expedited external independent dental review	External independent dental review
