Fund Selection

The Applicant is a Trustee purchasing shares to fund a Section 401(a) pension plan ("Plan"). The Applicant authorizes Principal Funds Distributor to purchase shares of Principal Funds. Purchases are intended to be made on a periodic basis as contributions are made to the Plan. All dividend and capital gain distributions are to be reinvested in additional shares of the distributing mutual fund.

3. Agreement to Provide Information (for Omnibus / Pooled Accounts)

Agreement to Provide Information. Beginning no later than April 17, 2007, or such other date as the SEC may designate as the date by which mutual funds must be in compliance with Rule 22c-2, you agree to provide the Funds, upon written request, the Taxpayer Identification Number ("TIN"), the Individual/International Taxpayer Identification Number ("ITIN"), or other Government-Issued Identifier ("GI"), if known, of any or all shareholders and the amount, date, name or other identifier of any investment professional(s) associated with the shareholder(s) (if known), and transaction type (purchase, redemption, transfer, or exchange) of every purchase, redemption, transfer, or exchange of shares held through an account maintained by you during the period covered by the request.

- A) **Period Covered by Request.** Requests made pursuant to this section must set forth a specific time period, not to exceed ninety (90) calendar days from the date of the request, for which transaction information is sought. The Funds may request transaction information older than ninety (90) calendar days from the date of the request as they deem necessary to investigate compliance with policies established by the Funds for the purpose of eliminating or reducing any dilution of the value of the outstanding shares issued by the Funds.
- B) **Form and Timing of Response.** You agree to provide, promptly upon request of the Funds or their designee, the requested information specified in paragraph 1. If requested by the Funds or their designee, you agree to use best efforts to determine promptly whether any specific person about whom you have received the identification and transaction specified in paragraph 1 is itself a financial intermediary ("indirect intermediary") and, upon further request of the Funds or their designee, promptly either: (i) provide (or arrange to have provided) the information set forth in paragraph 1 for those shareholders who hold an account with an indirect intermediary; or (ii) restrict or prohibit the indirect intermediary from purchasing, in nominee name on behalf of other persons, securities issued by the Funds. You additionally agree to inform the Funds whether you plan to perform (i) or (ii). Responses required by this paragraph must be communicated in writing and in a format mutually agreed upon by the Funds and you. To the extent practicable, the format for any transaction information provided to the Funds should be consistent with the NSCC Standardized Data Reporting Format.

- C) **Limitations on Use of Information.** The Funds agree not to use the information received pursuant to this section for marketing or any other similar purpose without your prior written consent.
- D) **Agreement to Restrict Trading.** You agree to execute written instructions from the Funds to restrict or prohibit further purchases or exchanges of Fund shares by a shareholder that has been identified by the Funds as having engaged in transactions of the Fund's shares (directly or indirectly through the Intermediary's account) that violate policies established by the Funds for the purpose of eliminating or reducing any dilution of the value of the outstanding shares issued by the Funds.
- E) **Form of Instructions.** Instructions to restrict or prohibit trading must include the TIN, ITIN, or GII, if known, and the specific restriction(s) to be executed. If the TIN, ITIN, or GII is not known, the instructions must include an equivalent identifying number of the shareholder(s) or account(s) or other agreed upon information to which the instruction relates.
- F) **Timing of Response.** You agree to execute instructions from the Funds to restrict or prohibit trading as soon as reasonably practicable, but not later than five (5) business days after your receipt of the instructions.
- G) **Confirmation by the Intermediary.** You must provide written confirmation to the Funds that instructions from the Funds to restrict or prohibit trading have been executed. You agree to provide confirmation as soon as reasonably practicable, but not later than ten (10) business days after instructions have been executed.
