The following individual(s) or entity(ies) shall be the primary and/or contingent beneficiary(ies). If neither primary nor contingent status is indicated, the individual or entity will be deemed to be a primary beneficiary. If more than one primary/contingent beneficiary is designated and no distribution percentages are indicated, the beneficiaries will be deemed to own equal share percentages in the account.

If any primary or contingent beneficiary dies before me, his or her interest and the interest of his or her heir(s) shall terminate completely, and the percentage share of any remaining beneficiary(ies) shall be increased on a pro rata basis unless I have indicated otherwise by checking the "per stirpes" box. A per stirpes beneficiary designation means that the interest of any beneficiary(ies) in a particular class (primary or contingent) who predecease me will go to his or her heir(s) in equal shares unless otherwise specified. If no primary beneficiary(ies) survives me, the contingent beneficiary(ies) shall acquire the designated share of my account. If no beneficiary(ies) survive me, my beneficiary shall be my estate, or if none, the individual(s) who would have inherited my estate had one existed.

Check here for per stirpes beneficiary designation. By selecting this option you are negating the standard per capita beneficiary designation. Due to the provisions associated with this selection, we recommend that you discuss your decision with a qualified advisor. Additional information may be required from the executor or personal representative of your estate for final distributions.

To name additional beneficiaries, please check here, then complete and attach a new copy of this page.

Choosing beneficiaries and methods of distribution can be very complex and can have significant impacts on various tax situations. We strongly recommend working with a qualified legal or tax advisor when making your selections.
