

Retirement Matters

Turning savings into income that lasts.

Fourth Quarter 2017

All the hard work saving for retirement can pay off soon. But when thinking about turning savings into income, finding ways to make part of that savings more secure might be top of mind. One way to make that happen could be through guaranteed income sources like a fixed annuity. Not to mention, having savings in a fixed annuity can help reduce the impact of any drops in the market. Keep in mind, if taking advantage of potential market growth is still a primary goal, this may not be the best option.

Putting a plan in place to help guarantee retirement savings can be a lot simpler than you may think. In this issue of *Retirement Matters*, explore tips to help you:
