INTERESTS:

Carolyn grew up on a farm in southern MN and has always had an affectionate attachment to her rural roots. During her graduate degree work, Carolyn created an audio documentary entitled, "Rural Wonders." This work, focusing on the stories of rural individuals, was broadcasted on KMSU radio and can be found online on the mnsu.edu website. She attributes her strong work ethic, doing what's right, and delivering on what was promised to her rural farm upbringing.

Carolyn enjoys cooking, traveling, interior design, and gardening.
