### EXPERIENCE:

I joined Principal as a financial representative in May of 2017. With 20 plus years in the automotive industry in management, I have developed excellent client service both as a student and a trainer.

During my upbringing, I attended both Solano Community College and Sacramento State University. At Sacramento State University, I presided over the General Motors Internship Program for business majors through American Marketing Association, which provided real-life experiences for students in the business world. Also, I established and formed an organization that acquired and operated three new-car dealerships, which received many accolades for superior and excellent customer satisfaction, as well as, local awards.

I currently reside in Dublin, CA, with my wife Yulia, and our daughter, Mia.
